

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of the dangers of
media consolidation.

Please either deny
him access of public
airways or allow the
other side equal
time with a
documentary of their
own choosing.
I would like to see
ordinary people have
a chance to air
their views,
especially families
who have children in
Iraq , returned from
Iraq , and injured
and killed in Iraq.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. . the
interest of the
public is to have
information which
enables them to make
informed decisions.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard. Thank you.
